VOL. CVXIIII.—130. ALEXANDRIA, VIRGINIA, SATURDAY, JUNE 14, 1913. PRICE 2 CENTS

LARGE CROWD AT THE OPERA HOUSE

Commencement Exercises of St. Mary's Academy Yesterday Afternoon.

DIPLOMAS RECEIVED.

Rt. Rev. D. J. O'Connell Presents The Same—Prize for Scholarship Equally Awarded.

Surounded by hosts of friends and honored by the presence of the Bishop of Richmond and a number of clergy, a large clas from the academic and commercial courses went forth from St. Mary's yesterday equipped for life's struggle not alone by a finished education, but also by those womanly graces and virtues that mark the convent graduate, distinguishing her always from her less favored sisters. It was the forty-fourth annual commencement and Lannon's Opera House was filled with a representative audience, among whom, conspicious by the gold medal each wore, were the members of St. Mary's alumnae, come to live over again their own happy experiences and to wish God speed to the class just going out from their Alma Mater whom they will welcome among their ranks at the annual reunion of Alumnae in October. There is ever a sameness about commencement exercises; and yet as one sees the fair young graduates with all life's ambition and youth's helpfulnes sgazing down the long vista of years that stretch before her, one is thrilled with feelings nowhere else experienced, and commencemnts take on a different meaning each year one witnesses them.

Seldom could a fairer sight be seen than was presented yesterday in Lannon's Opera House when St. Mary's two hundred and fifty students appeared on the stage to present their annual commencement exercises, in which not only the five graduates gave evidence of the culture for which St. Mary's is distinguished but even the smallest child, appearing for the first time in public showed the training to which she so gladly responded.

Promptly at 3 o'clock, the exercises opned wit ha chorus "Lovely June", by the senior vocal class. It was a noteworthy introduction to a well-rendered program and displayed the careful work done in voice training, "Les Rameaux" by Helen Waddy, Camille DeLane, Mary Kelly, and Pearl Harrington introduced the instrumental music and the young musicians were well received. Then followed a charming operetta "The Rose and Pearl" in which one hundred of the younger pupils participated, and it is safe to say, that never was better work done by the juniors and minims of St. Mary's. The scene was laid in a forest where a band of fairies ruled by their Queen, Fortuina, which was ably personated by Winifred Bayne, was sporting in dance and song the idle hours away. They hear the loud, hoarse cry of Vala, queen of the witches, and, knowing that the beautiful Florinda, is in danger, they haste away to find the rose and pearl that will ward of fthe witche's evil power; meanwhile, the lovely Florinda, a sweet role sustained by Eula Puckett, appears, and soon succumbs to Vala's baneful influence, exerted with the aid of her band of witches. Yoringal, her brother, which role Tessie Kneiger ably took, comes seeking her, but she no longer recognizes him, until with the aid of the fairies, the rose and pearl is found and Vala's power is at an end. The role of the witches' queen was splendidly carried by Genevieve Welch. The costumes of fairies and witches were strikingly appropriate, while the grace of movement and sweetness of voice of the young performers easily made the number one of the best.

The instrumental selection "Valse" from Moskowski was ably rendered by Pearl Corl, Katherine Petty, Kathryn Brill and Elizabeth Hart, after which the five graduates, Mildred Reardon Goods Julia Virginia Downey, Pauline Agnes Hellmuth, and Maria Teresa Graumann, of this city and Edna Marie Brill, of Cleveland, Ohio, entered and took seats upon the stage. Each carried a bouquet of the class flower,tea roses, while their class colors, green and gold were shown in the yellow buds and the green ribbon that entwined them. The salutatorian of the class was Pauline Hellmuth, and her greetings to the Bishop had the true ring of a warm welcome to Virginia's distinguished prelate, Rt. Rev. D. J. O Connell, D. D., which she, in the name of her class and St .Mary's offered. Miss Hellmuth recited her essay, which was written in verse, with marked elocutionary ability.

"Ave Maria" by Janet Reisheill, Blanche Bittle, Mildred Hellmuth, and Mary Entwisle was a charming vocal selection in which the parts were ably sustained. All four young ladies have voices of great promise, since yesterday's successful results were the work of but one year of vocal culture.

Edna Marie Brill's essay, "The Power of High Ideals" was decidedly amon gthe best literary numbers. It was a plea for lofty aims and worthy principles as opposed to the mad thirst of men for wealth, fame and pleasure. She concluded by proposing as woman's noblest and worthiest ideal the influence on immortal souls and human hearts that is her God given right, and bade her seek to rule in the home as queen rather than in the political arena, to win souls, not votes, and to influence humanity not by unsexing herself, but by being ever a womanly woman, the queenliest object in God's great world. Her essay was warmly applauded.

"Capriconte," by Jennie and Norine Smith, Jeannette Prosise and Sue Florance, was ably rendered, after which Julia Virginia Downey gave the class poem "Virginia". It was a hearty tribute to her native state which she ably recited and at its close prolonged applause testified that she had struck a responsive chord in the hearts of every Virginian present.

"The Rosary" by the private vocal class, J. Reisheill, N. Pullman, M. Ewald, R. Priest, R. Smith, L. Griffith, M. Hellmuth, B. Bittle, M. Entwisle, and K Sullivan, was an exceptionally fine vocal number. Ethel Dix and Virginia Downey then gave "Belisario" by Goria, a piano selection that displayed exceptional interpretive ability and splendid execution and deserved the applause it received. Maria Teresa Graumann's essay, "Monuments to Mind," was a dissertation on books which she read in a clear, well modulated voice that gave an added charm to her well written subject.

The final piano selection was a brilliant quartette, "Galop Chromatique," from Liszt with four of St. Mary's advanced musicians at the piano, Kathryn Brill, Helen Corbett, Mildred and Pauline Hellmuth, and their rendition showed a mastery of technique and artistic expression that distinguishes the true musician.

Mildred Reardon Goods, valedictorian of the class, then gave the farewell to the school in which all life's happy school days had been spent. It was a sweet tribute of love to her Alma Mater and her delivery gave an added charm to the beautiful poem.

"Waltz from Faust" by Gounod, a brilliant chorus by the senior vocal class, closed the program. It gave ample scope for splendid solo work in which Janette Risheill's clear soprano voice was especially worthy of commendation.

The class honors were then announced by Rev. Father Cutler, and conferred by the Rt. Rev. Bishop after which amid prolonged applause which spoke the welcome of all present, Bishop O'Connell rose to deliver the address. After congratulating the young students who so ably rendered the exceptionaiily fine program, he went on to speak of the work of the Catholic Sisterhood in the education of the young girls entrusted to them. "While not depreciaing the great work being done in our public schools and colleges," said the Bishop, "nor yet asserting that the Sisters give a superior education in intellectual branches, I do strongly emphasize the fact that they do give something which no other schools give—namely a culture of soul, a development of moral principles, added to a grace and refinement of manner that marks apart the graduate of the convent school." Ther addressing the young

ALLEGED HORRORS OF COAL FIELDS

Strikers' Wives Appear Before Investigating Committee.

STARVING BABIES

Some Witnesses Garbed in Habilments of Mourning, Husband's Having Died in Warfare.

Charleston, W. Va., June 14.—The real sufferers when the men strike—the women who cheer their husbands, comfort starving children, and bear their burdens in Spartan-like silence—told their sides to the senate strike investigation committee in Charleston.

The actual conditions tha texisted are being revealed from the lips of the women and men who participated in the strike. It is not a pretty story. All agree that there have been serious and hardships. Some of the witnesses are garbed in black—women whose husbands died in what even the dignified senate committee now agrees was "actual warfare."

All of today's witnesses are being hurried through their testimony, so that next week the committee can hear the side of the coal companies. The antis, representing the great coal companies, controlling the Cabin and Paint Creek districts, say that the stories now being told are not true.

And the committe will give them their opportunity to refute the tales of the mines next Monday.

The witneses for the miners today agreed that the armed mine guards caused all the trouble. Had they been kept out, they said, there would have been little rioting. And this is one of the chief points of the inquiry that the senators are very anxious to clear up. Only the problem of what caused the conditions; whether there can be a federal remedy therefor and whether the big corporations of the State are a great interlocking trust as alleged by the miners' leaders are left to be settled by the senators.

The first will be out of the way by Monday night, and the committee would like to get the second by Tuesday or Wednesday at the latest.

FLY SWATTING CAMPAIGN.

Crusade Expected to be Prosecuted Vigorously With Closing of Schools.

The closing of the schools of Alexandria will afford the former pupils an opportunity to become active in the fly swatting campaign being conducted by the Health Department. It is expected that the number of contestants will be augmented for the campaign this month and that there will be a largely increased number of children in the July contest.

With the inducements in large cash prizes offered by the city health officer to be awarded to the children bringing in the largest number of flies each month, every child in the city should become active.

Boxes holding the flies killed and any information respecting the campaign may be secured any time by visiting the health office in the city hall or telephoning.

Took 12,000 Drinks.

Twelve thousand drinks, ranging from simple mixed portions to fancy concoctions, is the record which Mrs. John Barry Sears, of Chicago, posted up against her husband in five years of married life. Mrs. Sears, who is suing for divorce, because of his extensive irrigation, said Mr. Sears started his career of conviviality during his honeymoon, and has kept it up with few lapses from his high pressure standard. His drinking, she avered in court yesterday, is both prepandial and post-prandial, the word "prandial" in this case having reference to breakfast, lunch, dinner and supper.

A French Column was ambushed in Morocco and 64 men killed and 109 wounded.

BRENT-FRENCH WEDDING.

Ceremony to be Solemnized This Evening.

A wedding of much interest here as well as throughout the State will be solemnized this evening when Miss Jean Lloyd Brent, daughter of Mr. and Mrs. Samuel Gordon Brent becomes the bride of David Milton French, son of Mr. George S. French of this city. The ceremony will be performed at the home of the bride's parents' 115 north Columbus street. by Rev. William J. Morton, rector of Christ Episcopal Church. Only the relatives and intimate friends of the contracting parties will witness the ceremony. The parlors of the Brent home will be beautifully decorated in pink roses and palms. The bay window in the front parlor will be formed into a veritable rose bower where the ceremony will be performed.

The bride will be given away in marriage by her father, and will wear an exquisite gown of white crepe charmeuse, with trimmings of lace and pearls. Her tulle veil will be caught with orange blossoms. The bride's bouquet will be bride's roses and lilies of the valley. Miss Georgie McComas French sister of the groom, and Miss Mary Snowden will be the bridesmaids and will wear pretty dresses of white marquisette embroidered in pink and carry bouquets of sweet peas.

The flower girl will be little Miss Margaret French who will wear a dainty white frock and carry a basket of pink sweet peas.

FUNERAL CORTEGE OVER A MILE LONG

Thousands of Suffragettes Appear in London This Afternoon.

HONORS TO MILITANT

Mrs. Pankhurst Re-Arrested—Scotland Yard Kept Busy in Keeping Back Great Crowds.

London, June 14.—Almost a mile of suffragettes and their sympathizers marched through the streets of London this afternoon in the funeral procession of Miss Emily Wilding Davidson, the Northumberland militant, who last week sacrificed her life when she threw King George's horse, Anmer, in the Epsom Downs Derby.

The situation was a unique one in that all branches of the votes for women movement made common cause for once and were at peace.

Thre thousand militant suffragettes were in line and with them marched members of male equal suffrage societies, non-militant organizations and trade unions. All advocates of equal suffrage were represented.

At Epsom a guard of honor composed of local suffragettes dressed in deep mourning, took the body of Miss Davidson from the mortuary and escorted it to the railway station where it was entrained for London.

Arrived in London the body was met at the railway station by the vanguard of the huge procession. Leaders of the Woman's Social and Political Union, with the consent of the relatives of the dead woman, took charge of the casket and the funeral was under way.

Four deep, and in squads alternately clad in black, white and purple, all with mourning bands on their sleeves, the women marched, suffragettes mingling with suffragists. Hundreds of policemen on foot kept the route clear, and so great was the crush that Scotland Yard was compelled to furnish an escort of mounted policemen that the women might be protected. So long was the procession that traffic in Picadilly and Shaftsbury avenue was blocked for four hours.

The procession was headed by a militant bearing a cross, and then came the body of Miss Davidson, in an open four-horsed hearse, surrounded by a guard of honor composed of militants who have been hunger-striking in Holoway Jail. On the casket lay a W. S. P. U. banner, suffragette badges and scholastic cup.

Next come fifty white-robed young girls carrying laurel wreaths and banners, which were inscribed: "Fight on. God will give victory." Those were said to have been Miss Davidson's last words.

Twelve bands were in the parade, heading the various divisions, and they alternately played the Marseillaise and the dead march from Saul.

Mrs. Emmeline Pankhurst, leader of the militant suffragettes, was rearrested today as she prepared to attend the funeral of Miss Emily Wilding Davidson.

Mrs. Panukhurst was in a nursing home on ticket of leave from Holloway jail to which she was sentenced for three years for the Lloyd George bomb explosion and the home office considered that she was able to resume her prison service if she were able to attend a public demonstration.

At the next regular meeting of the City School Board which will be held Thursday, July 3rd, the board will make its appointment of teachers for the next term of the city's public schools. The exact date for the re-opening of schools in the fall will not be considered by the board until probably at the first regular meeting in August.

Children's Day Services will be held at the First Baptist Church tomorrow morning at 11 o'clock. An interesting program has been prepared, and will be rendered.

A decree was entered in the Corporation Court yesterday, in the case of Mrs. Frank R. Kersey, guardian, vs. Katherine W.G.Monroe, et al., confirming the report of Special Commissioner Howard W. Smith.

CASE OF MINNIE HAHN.

Philadelphia Millionaire Indicted for Engaging in White Slave Traffic.

The case of Minnie Hahn, alias Minnie Smith, charged with engaging in white slave traffic, will probably be one of the first cases to come up at the July term of the United States District Court before Judge Edmond Waddill, of Richmond.

At the preliminary hearing before United States Commissioner Garnett, Minnie Hahn was released o na $2,000 bond to appear at the July term for trial. The four girls who, it was charged, she transported from Philadelphia to Alexandria—Nellie Gross, May Evans, Florence Williams and Elizabeth Frederick—being the principal witnesses against her are also expected.

Three indictmens against Julius Wellner, milionaire piano dealer, of Philadelphia, and Washington, charging him with being actively engaged in the white slave traffic between Philadelphia and Washington, were returned and made public by the federal grand jury yesterday.

These indictments are the result of a lengthy investigation by representatives of the Department of Justice whereby they connected Wellner with houses of prostituion in Philadelphia.

The indictments charge Wellner with providing transportation from Philadelphia to Washington and from there to Philadelphia the young woman mentioned above.

They also charge him with "knowingly aiding in procuring transportation for women from Philadelphia to Washington for immoral purposes, in violation of the Mann White Slave Act." Wellner is in the musical instrument business. For years it is charged he has provided the automatic piano players for houses in the tenderloin district of Philadelphia. He is a well-known man in business circles and owner of the Wellner building, at 823 Walnut street, Philadelphia.

TURTLE SERUM FAILS TO CURE

No Definite Recoveries it is Alleged, Have Been Reported.

IS NOT BENEFICIAL.

Report on Senate Resolution Says It Will be Months Before Inquiry is Completed.

Washington, June 14—No final conclusion from the public health service on the value of the Friedmann cure was brought out by the senate resolution asking for a report on tuberculosis cure investigations by the service. A report in response to this resolution has been filed with the secretary of the Senate. It says in effect that it will be months before investigations on the Friedmann cure are completed.

The report contains a statement from Dr. Maurice A. Strum which denies that Dr. Strum had knowledge of the method of preparation of the Friedmann cure.

An adverse report is made by Surgeon Cobb on the so called Duckett cure of Dr. Peter B. Duckett, of Chicago. Dr. Cobb says that this cure will in his opinion, prove a flat failure.

Public sentiment in Washington as wel las in many other cities, seems to have taken a decided turn against Dr. Friedmann. The medical profession in Washington seems to have lost all confidence in the Berlin savant, and according to statements from some of the other leading physicians, and Health Officer Woodward, it seems that Dr. Freidmanan will face the possibility of arerst, should he attempt to inject his serum again in Washington. If Dr. Friedmann comes to Washington to give the second injection that he promises, he will be given the courtesy of the use of the dispensary, but that is all. Health Officer Woodward stated yesterday that though he would not initiate trouble for the Berlin physician, should he come back, that he fully expected that his right to practice in Washington without a license would be questioned, and the matter called to the attention of the police.

HALL'S BODY RECOVERED.

Remains Brought to This City This Morning and Interred From B. Wheatley's Chapel

The body of Charles W. Hall, who was drowned near Craney Island last Tuesday night, was recovered at an early hour this morning and brought to this city on the motor boat from which the deceased fell into the river. The remains were taken in charge by B. Wheatly and the funeral will take place from his chappel tommorow afternoon.

Mr. Hall, with several relations and others left Washington last Tuesday night for lower Machodoc, where they were to erect a bungalow for use during the summer months. The motor boat had proceeded as far down as Craney Island, about 18 miles below this city, when one of the party who was steering entered the cabin for the purpose of securing a sandwich, and left Mr. Hall at the wheel. Upon his return he was unable to find Mr. Hall, and there was every reason to believe that he had fallen overboard. His companions were unable to recover the body until 5:45 o'clock this morning.

The deceased was a native of Alexandria, and during his younger days he resided on South Fairfax street. He was 65 years old and leaves a wife and seven children. Mr. Hall was a carpenter by trade but had recently been in charge of a public house in Washington.

Mrs. Julius H. Koehler, Nee Miss Alma Portner, Plaintiff in Case

Suit to divorce Julius H. Koehler, capitalist and owner of brewing interests, were filed yesterday at Clayton, a St. Louis suburb, by Mrs. Alma Portner Koehler, who is now staying at the old family home, Annaburg, near Manassas, Va., and whose father, the late Robert Portner, of Alexandria, was reported at the time of her marriage to have given her $1,000,000 as a wedding present. The fact that the Koehlers were living apart became made known Thursday through the offer of their Gravois road home, in St. Louis county, for sale.

Mrs. Koehler's petition was remarkably brief, and was in the most general terms, with no specific allegations. It folowed the set legal form, and stated that the Koehler's were married in Washington, April 16, 1903, and that the wife always had demeanored herself faithfully, but that her husband had offered such "Indignities" as to render her condition intolerable."

This phrase in divorce petitions is ordinarily followd by "to-wit" and a list of allegations. But there are no such allegations in this instance, and the petition ends there, except that it mentions their child, Robert Portner Koehler, 7 1-2 years old, and asks his custody be awarded to the mother. Provision for the maintenance of the wife and child is asked for, with the request that if it is deemed necessary Koehler may be required to give security.

A notation at the foot of the petition bear's Koehler's signature, and shows that he has waived personal service and entered his voluntary appearance. This will make a speedy hearing of the case possible, if the judge to whom the case is assigned sees fit to expedite matters.

NEWS OF THE OLD DOMINION.

NORFOLK TO ENTERTAIN.

Bostonians And Waterloonians to Be Guests Today.

Norfolk, Va., June 14.—Norfolk's delegation of advertising men will entertain today in Virginia the Boston Pilgrims and the contingent from Waterloo, owa.

The Iowans left Baltimore last evening with the Norfolk club by the Old Bay Line for Norfolk, while the Pilgrims left about the same time by the Merchants and Miners'.

Both boats were scheduled to reach Norfolk early this morning, and the "ad" men of that town will take charge of the Westerners and New Englanders and show them what real hospitality the Old Dominion can offer. There will be a boat trip to Cape Henry and a street car trip to Virginia Beach, and at one of these places will be held an old-fashioned crab feast.

President William Woodhead, of San Francisco, and former President George W. Coleman, of Boston, were among the first of the prominent delegates to leave last evening for their homes. Others of the visitors, after enjoying the boat trip down the bay, spent the night in Baltimore, while a few will stay over Sunday.

RICHMOND PRIMARIES.

Final County Shows Two Former Members of House of Delegates Defeated.

Richmond, Va., June 14.—The work of counting the ballots in Thursday's legislative and city primary was not completed until long after sunrise yesterday. The final count shows two former members of the House of Delegates defeated, two re-elected, and three new members chosen. The hardest fight centered in the race for city sergeant. The annexation referendum question played an important part in the day's balloting. Fran kFerandini, of Le Ward, who waged a successful fight against annexation being submitted to the voters, was elected a member of the city Democratic committee, while M M. Martin, of the same ward, was defeated, and as a result a new chairman for the city Democratic committee will have to be chosen. The successful candidates and their votes follow: For House of Delegates—Graham Hobson, 6,973; Edwin P. Cox (re-elected), 6,100; William M. Myers, 5,442; Hill Montague (re-elected), 4,900; D. L. Toney, 4,779. For City Sheriff—Herbert Mercer, re-elected, 6,266; defeating Stephen Johnson by 3,745. For City Sergeant, John L. Saterfield, re-elected, 5,031; defeating Wilbur Griggs by 700 majority. For commissioner of the Revenue—Henry E. Tresnon, re-elected, 4,340, defeating T. Peter Howle, by 1,614 majority.

Meherrin, Va., June 14.—O. F. Nelson, tow nsergeant of this place, committed suicide here last night by shooting himself hrough the head, using a pistol.

No reason can be assigned for the act of the dead officer. As far as known he was in no difficulties whatever, and was seen on the streets just a short while before he committed the act, and was apparently in a cheerful frame of mind. CARTER IS RESPITED.

Spotsylvania Murderer Will Die in Electric Chair on June 27.

Richmond, June 14.—A stay of execution to June 27th has been granted by overnor Mann to Nelson V. Carter, of Spotsylvania county, condemned to death for the murder of his wife. The execution was set for today, but the appeal to the Supreme Court at Wytheville was only decided a day or two ago, the application for an appeal being refused, and the Governor allowed Carter two weeks' time to prepare for death. Owen Goggin, colored, convicted of attempted criminal assault in Bedford county, is also to be electrocuted on June 27th.

Carter's crime is said to have been one of the most brutal in the history of the Commonwealth. He had not lived with his wife for some time, but went to her home on February 8 and shot her, the bullet entering the mouth and lodging in the throat. She ran into the yard, where he followed firing four other shots. He was convicted of murder in the Circuit Court of Spotsylvania county, and the Supreme Court of Appeals at Wytheville on Monday refused a writ of error.

The balance, between ten and twelve hundred acres consists of valuable farming lands and about eight hundred (800) acres of valuable timber It has a large deep water frontage on the Potomac river as well as a large frontage on Dogue Creek, with valuable fishing shores. The property is improved by an old mansion house, familiarly known for many years as the "White House," a club house, barns, stables, out-buildings and tenant houses. It is situated on the county road between Mt. Vernon and Accotink, and is about four miles by road from Mt. Vernon. This property is one of the most historic in the section and would make a very desirable country estate because of its location and the opportunities afforded for fishing and shooting.

NO MISHAP ON FRIDAY, THE 13th.

"Alas! you know the cause too well:
The salt is spilt, to me it fell.
Then, to contribute to my loss,
My knife and fork were laid across;
On Friday, too! the day I dread!
Would I were safe at home in bed!
Last night (I vow to heaven 'tis true)
Bounce from the fire a coffin flew.
Next post some fatal news shall tell,
God send my Cornish friends be well!"

Yesterday was viewed with apprehension by many people, who seemed to live in dread of some terrible upheavel, terrestrial and celestial which was likely to occur and they breathed easier when the clock in the City Hall struck the midnight hour and the terrible ordeal was over.

Friday (ever regarded as an unlucky day) falling upon the 13th day of the month and in the year 1913 made it ominous. But notwithstanding all the anxiety, nothing outside the ordinary occurred; atmospheric conditions were ideal and Luna, with no blood on her face, rode across the heaven after Old Sol had finished his course, and tranquility prevailed.

The number thirteen is dreaded by many people. Recently an ocean steamship left an European port for this country. When the first class passengers sat down to dinner, to their horror, they found that they numbered thirteen. They arose from the table in a panicky condition and refused to touch any of the tempting viands until their number was either augmented or decreased. It was suggested that the party subscribe to a fund with which to pay the extra expenses of a steerage passenger in order to place him in the saloon, which would make the number fourteen. This was done, after which the dinner proceeded.

It is said that a vein of superstition can be found in all persons. Dickens, with his masculine intellect, who lampooned everybody else for their idiosyncrasies, was afflicted with hallucinations himself. When the first instalment of the Pickwick Papers appeared he left London with some apprehension, fearing his venture would prove a failure. To his great delight, however, he awoke and found himself famous. From that time until his death he invariably left London when the first chapters of his books appeared.

NEWS OF THE DAY.

The Senate Committee on Woman's Suffrage has favorably reported an amendment to the Constitution giving women the right to vote. "We do not feel called upon in this report to discuss the equality or inequality of the two sexes from an intellectual standpoint," says the report. "It is or at least, ought to be, an axiom of American liberty that a class of persons so ready and willing to obey the laws as are the women should not be denied a voice in the enactment and enforcement of the laws and concerns of a government."

Miss Ethel Stevens, 20 years old, who yesterday morning, in her home, at 54 N street, S. E., Washington, swallowed three tablets of bichloride of mercury, is likely to die. She took the poison, the police say, in a fit of despondency brought on by her inability to find work.

Though she intends to make Mrs. Lillian N. Duke, divorced wife of the "tobacco king," pay for "honeymoons" said to have been spent with former Congressman Lafayette Pence, Mrs. Pence has yet to catch Mrs. Duke. Mrs. Duke is virtually a prisoner in her apartment in a Riverside Drive Hotel, New York, owing to her efforts to evade service of papers in the threatened $150,000 aleniation suit of Mrs. Pence. Mrs. Duke is named in a separation suit begun by Mrs. Pence. Mrs. Pence, in an interview, vigorously assailed Mrs. Duke. She said: I intend to make Mrs. Duke pay for the honeymoons she has spent with my husband." Pence denies his wife's allegations.

A most cordial exchange of greetings followed the meeting in Washington yesterday of Secretary of State Bryan and Cardinal Gibbons. The coming together for the first time of these two distinguished and highly esteemed men occured at a luncheon following the commencement exercises at Holy Cross Academy in Washington. In short speeches following the luncheon each man eluogized the other, and expressions of the highest esteem were mutual.

Thre hundred and fifty thousand dollars is roughly estimated as the damage which was caused last night when the flames swept part of Wagner's Point, Baltimore, destroying three factories and ten buildings which furnish work for nearly 800 employes.

Angered because of a disagreement between the members of the board of education and Miss Lucy Pritchard, who has been the principal of the high school at Huntington W. Va., for several years, and which caused the resignation of Miss Pritchard, several hundred students last night besieged the high school building, following the annual commencement exercises. They were intent on wrecking the interior of the building, and thus show their disapproval of the action of the school board. A squad of police was rushed to the scene, and several of the young students were arrested.

Stones flew and shots were fired last night in a clash between a mob of several hundred men with deputies escorting a party of two score workers home from the mills at Paterson N. J. No one was injured so far as could be learned, but the deputies took nearly 70 prisoners, who were hurried to police headquarters.

Cleveland, Ohio, society circles were stirred again yesterday when it became known that Rev. Gerard F. Patterson, rector of the Church of the Incarnation in the East End, has started an action for divorce from May Fee Patterson, naming M. Van Voorhees Lloyd, a wealthy grain dealer, as corespondent.

The estate of Col. John Jacob Astor, who perished in the Titanic disaster, wah officially appraised yesterday afternoon at New York at close to $88,000,000, of which Vincent Astor receives $68,964,499; Mrs. Madeline Force Astor, $7,678,896; Murial Astor, $4,856,758, and John Jacob Astor, son by his second marriage, $2,922,672. The estate is declared to be the largest ever appraised in this country.

The assassins of Grand Vizer Mahmud Shevket Pasha were rounded up in a house yesterday in Constantiople where they took refuge after the murder, and a cordon of police placed around the building. An attempt to rush the house resulted in the killing of four soldiers and the wounding of two others.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whittaker, of this place, "with sick headache, and stomach trouble.

Ten years ago a friend told me to try Thedford's Black-Draught, which I did and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

The Truth About Electric Cooking

For large families where the average domestic help is employed and a large amount of cooking done, Electric Cooking will be found more expensive, and in most cases not advisable.

In small families, where no help is employed, and where nice equipment is desired, Electric cooking will be found many times more convenient, more certain in results and safer in operation—as well as reasonable in cost.

In every family a few utensils for early breakfast, emergency and special uses—and for cheering up cold meals with a warm dish or two—is highly advisable from every standpoint, including that of economy.

FIGHT WITH BANDITS.

Plucky Young Woman Has Terrible Experiences in New York.

New York, June 14.—Miss Dorothy Daniels gave a lone bandit the fight of his life yesterday before he made off with $1,128 of the Confectioner's Trading Company payroll she was carrying to the office of the concern, 101 Varick street. As it was, the plucky young woman, who is only 22 years old, saved part of the money, while her assailant choked her.

The hold-up took place at the corner of Vandam and Hudson streets, and in spite of the rough treatment she had been subjected to, the girl led a crowd of truck drivers and street laborers for four blocks before the thief escaped.

ST. MARY'S GRADUATION

Continued from Page 1

women upon whom he had just conferred the highest honors of their Alma Mater, the Bishop proposed to them the cultivation of three kinds of beauty-physical, intellectual and moral, beauty of body, mind and soul—adding that the last was the greatest of all—and a stainless heart and unspotted conscience an object of veneration even to God' angel's. At the close of the Bishop's splendid address as well as frequently during it the prolonged applause of the audience showed they, too, felt the truth of the inspiring words he uttered.

Woman Confesses.

Mrs. Arthur Kellar late yesterday confessed that it was she who killed her husband, a railroad laborer, and their daughter, Margaret, 7 years old, last Tuesday at Harrisonville, Mo. Kellar and the girl were slain with an axe as they lay in their beds. "God knows I would not have killed them had I known what I was doing," Mrs. Kellar said in her confession. She declared she had frequently been irresponsible for her acts since she received a blow on the head two years ago. After telling of the slaying of her husband and daughter, Mrs. Kellar said she picked up the axe and broke a piece off her own bed that she might make it appear that she also had been attacked.
